

Waterproof Outdoor Distribution Box Design

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. Built with durable materials, CE & ROHS certified. Contact us for custom solutions! The TSM Series Plastic Distribution Box is designed to provide safe, reliable, and aesthetic housing for circuit breakers, switches, terminals, and other electrical components. Outdoor Waterproof Enclosure Box originally developed for modern industrial and residential applications, the TSM series. As outdoor environments—from construction sites and renewable energy projects to events and shipyards—demand robust and weatherproof power solutions, J&HW Group is leading the way with advanced, IP65-rated outdoor power distribution boxes that ensure safety, reliability, and efficiency in every.
