

What are some Norwegian wire mesh cable tray manufacturers

Summary of Content

Nordic Wire Tray (NWT) and VALDINOX are leading Norwegian manufacturers of wire mesh cable trays, offering high-quality, customizable solutions for industrial and commercial applications.

Key Manufacturers

1. Nordic Wire Tray (NWT) NWT is a prominent Norwegian company specializing in wire trays, data racks, and complete cable management systems. They provide a wide range of wire mesh cable trays that comply with IEC 61537 standards, ensuring durability, safety, and ease of installation . NWT offers both standard and customized solutions, including straight, curved, horizontal, and vertical trays, with various surface treatments. Their products are designed for industrial, commercial, and specialized projects, and they emphasize fast delivery and flexible production to meet unique project requirements . 2. VALDINOX VALDINOX has been designing and manufacturing wire mesh cable trays and related accessories since 1982. They focus on high-quality, easy-to-install cable tray systems and provide custom adaptations for complex requirements. Their experience in the electrical industry allows them to deliver durable and reliable solutions for trade, industry, and end consumers .

Features and Capabilities

- Customization: Both NWT and VALDINOX can produce wire trays tailored to specific project dimensions and load requirements.
- Material Quality: Products are made from high-quality metals, including stainless steel, ensuring long-lasting performance and resistance to harsh environments .
