

What are some cable distribution box manufacturers in Papua New Guinea

Summary of Content

Key manufacturers and suppliers of cable distribution boxes in Papua New Guinea include Powa Industries and Brilltech Engineers Pvt. Ltd.

Notable Manufacturers and Suppliers

1. Powa Industries Limited Powa Industries, established in 1991 and based in Port Moresby with a branch in Kokopo, specializes in wholesale and retail distribution of electrical parts and accessories, including cable distribution boxes. Their products are imported from reputable overseas suppliers and comply with PNG Power and Australia/New Zealand standards, ensuring quality and safety for residential, commercial, and industrial applications . 2. Brilltech Engineers Pvt. Ltd Brilltech Engineers is recognized as a leading manufacturer of electrical panels, LT distribution panels, cable bus ducts, and power control panels in Papua New Guinea. They offer custom-designed solutions to meet specific client requirements and provide turnkey services. Their products are known for high performance, sustainable operation, and compliance with international standards. Brilltech also supplies electrical transformers, generators, and chemical earthing systems, making them a comprehensive provider for electrical infrastructure . 3. Port Moresby Electrical (PME) While primarily focused on electrical installations and engineering services, PME has experience in procuring, installing, and commissioning electrical systems, including UPS and distribution panels. They serve mining, industrial, commercial, and residential sectors, and can provide guidance on sourcing and installing cable distribution boxes .
