

What are some manufacturers of optical fiber splice boxes in Croatia

Summary of Content

Elektro Imber Ltd is a key Croatian manufacturer of optical fiber splice boxes and related enclosures.

Key Manufacturers and Suppliers

1. Elektro Imber Ltd Located in Croatia, Elektro Imber offers a wide range of fiber optic products including splice closures, indoor and outdoor distribution boxes, optical splitter boxes, and subscriber outlets. They also provide patch cords, pigtails, and PLC splitters for PON networks. Their products are designed for easy installation and low bending radius, ensuring reliable network performance and flexibility for customized deployments . 2. Max. Dark Fiber While primarily a telecommunications provider, Max. Dark Fiber in Croatia specializes in construction, splicing, and testing of fiber optic networks, which includes handling splice boxes and related infrastructure. They focus on backbone and dark fiber solutions, making them a relevant partner for network deployment projects . 3. LAPP Croatia LAPP offers fiber optic splice boxes designed to protect and organize spliced fibers, providing space for splice protection devices and clear cable routing. Their products are suitable for both maintenance and repair of fiber optic networks .

Additional Notes

- Some international suppliers, such as EFB-Elektronik, provide pre-assembled and customizable splice boxes and may deliver to Croatia, offering additional options for specialized or large-scale projects .
