

Where can I buy tubular busbars in Papua New Guinea

Summary of Content

You can purchase tubular busbars in Papua New Guinea from local suppliers like Metal Fort in Madang, PICSA PNG Group, and FERROBEND, or via online platforms such as Desertcart.

Local Suppliers

1. Metal Fort – Madang Metal Fort supplies a wide range of aluminum busbars, including flat and flexible types suitable for electrical and industrial applications. They offer high-quality products with corrosion resistance and durability, and can assist with custom requirements for your projects in Madang, Papua New Guinea . 2. PICSA PNG Group PICSA PNG Group operates through Barlow Industries and Mesh and Bar Industries, with facilities in Port Moresby and Lae. They specialize in steel and aluminum products, including busbars, and can supply both small and large-scale projects. They also provide fabrication services to meet specific project specifications . 3. FERROBEND FERROBEND supplies pipes, tubes, fittings, flanges, and bars to Papua New Guinea, including custom-built components. They cater to EPC contractors, trading houses, and end-users, offering a wide range of materials and sizes that can include tubular busbars .

Online Options

Desertcart For smaller or specialized busbars, such as the Bay Marine Supply Busbar 10-point power distribution block, Desertcart ships directly to PNG cities including Port Moresby, Lae, and Madang. This option is suitable if you need ready-to-install busbars for electrical or marine applications .
