

Where can I find steel long-span cable trays

Summary of Content

Steel long-span cable trays are available from specialized suppliers such as Longjoy, Eurostrut, Legrand, EAE Electric, and McMaster-Carr, offering galvanized or stainless steel options in customizable lengths.

Recommended Suppliers

1. Longjoy Cable Tray Longjoy offers galvanized and stainless steel long-span cable trays with customizable lengths of 3m, 6m, 8m, and 12m. Their trays feature strengthened side plates for higher load capacity, making them suitable for long-span installations in industrial environments . 2. Eurostrut Eurostrut provides hot-dip galvanized and stainless steel cable trays for indoor and outdoor use. They offer various widths, heights, and configurations, including open or perforated designs for better heat dissipation. Orders can be requested directly via their webshop . 3. Legrand Legrand supplies long-span steel ladder trays designed for extremely heavy loads, with straight sections available in 30, 40, and 50-foot lengths to accommodate long support spans . 4. EAE Electric EAE Electric manufactures heavy-duty cable trays and ladders from pre-galvanized, hot-dip galvanized, or stainless steel. Standard lengths are 3 meters, with options for 6 meters. Their trays are suitable for high cable density and challenging environments, with robotic welding for maximum structural durability . 5. McMaster-Carr McMaster-Carr offers a wide selection of over 850 cable tray products, including steel long-span options, with fast delivery and a variety of styles and sizes to meet different project requirements .
