

Where to buy explosion-proof electrical distribution boxes in New Zealand

Summary of Content

Explosion-proof electrical distribution boxes in New Zealand can be sourced from specialized industrial suppliers such as TROPAC NZ, B&R Enclosures, BARTEC, and certified international distributors like Supermec and Bestech.

Local Suppliers in New Zealand

TROPAC NZ Located at 100 Montgomerie Road, Auckland, TROPAC NZ is a leading industrial electrical solutions provider offering a wide range of enclosures, including explosion-proof and hazardous area-rated boxes. They supply wall-mount, floor-standing, and terminal enclosures in materials like steel, stainless steel, aluminum, and GRP, suitable for industrial and petrochemical applications . Contact: 09 884 9190. B&R Enclosures B&R specializes in electrical equipment for hazardous areas, providing IECEx-certified explosion-protected enclosures. Their product range includes fixed lid control stations, flat roof control stations, and GRP terminal boxes suitable for Zones 1 & 2, 21 & 22, commonly used in chemical, petrochemical, and dust-prone environments . BARTEC BARTEC offers fully integrated power distribution solutions for hazardous environments, including Ex-e, Ex-d, and Ex-p rated low- and medium-voltage distribution boards. They provide modular, customizable solutions for offshore, onshore, and industrial applications, with engineering support for compliance and installation .
