

Which brands of trapezoidal cable trays are good

Summary of Content

Atkore, Legrand, and Chalfant Manufacturing are among the top brands for high-quality trapezoidal cable trays, offering durability, compliance, and customization options.

Leading Brands

Atkore International is a globally recognized manufacturer known for its extensive cable tray systems, including trapezoidal designs. They provide durable, code-compliant solutions suitable for industrial, commercial, and renovation projects, with options for stainless steel, galvanized, and custom configurations . Legrand offers a wide range of cable management products, including trapezoidal and wire mesh trays. Their products are known for high-quality construction, ease of installation, and compatibility with various accessories, making them ideal for both power and data cabling . Chalfant Manufacturing specializes in innovative cable tray systems, including self-connecting and walkable trays. With over seventy years of experience, they provide tailored solutions that meet industry standards and specific project requirements . Other notable manufacturers include PT Trias Indra Saputra, Sunil Engineering Corporation, and ELCON Cable Trays, which offer reliable trapezoidal and ladder-type trays with customization options for indoor and outdoor applications .

Factors to Consider

When selecting a brand, consider:

- **Material and Finish:** Stainless steel, galvanized steel, or fiberglass for corrosion resistance and load capacity.
