

Which company makes Asian electrical distribution boxes

Summary of Content

Leading Asian manufacturers of electrical distribution boxes include DOHO Electric, Zhejiang B&J Electrical Co., Dongguan Aosen Electrical Equipment, and ZCEBOX, all offering certified, customizable solutions for global markets.

Key Manufacturers

DOHO Electric is a major Chinese manufacturer specializing in distribution boxes and related products. They provide OEM/ODM services and have a long history of supplying quality electrical enclosures worldwide, ensuring reliable performance and customizable options for various applications. Zhejiang B&J Electrical Co., Ltd. has over 25 years of experience producing wall-mounted, floor-standing, stainless steel, and plastic distribution boxes. Their products meet IP66, IP67, and IP68 standards, and they hold CE and RoHS certifications. B&J serves customers across the Americas, Europe, Asia-Pacific, and the Middle East, emphasizing safety and durability in power systems. Dongguan Aosen Electrical Equipment Co., Ltd. focuses on the design, manufacturing, and sales of electrical equipment. Located in Dongguan, China, they operate under ISO9001 quality management and offer products certified to IEC, RoHS, and UL standards. Aosen provides one-stop sheet metal production and emphasizes safe, reliable distribution box installation for industrial and residential applications. ZCEBOX specializes in low-voltage electrical products, including distribution boxes, junction boxes, MCBs, and consumer units. They provide OEM and ODM services, comply with ISO9001, CE, RoHS, IK, and HF standards, and have a global presence in over 100 countries. ZCEBOX focuses on high-volume production with competitive pricing and advanced manufacturing facilities.
