

Which company makes the best fireproof cable trays in Anning

Summary of Content

Basor Electric, Meka Pro, and Flamro are among the top manufacturers of fireproof cable trays suitable for industrial and commercial installations in Anning.

Basor Electric

Basor Electric specializes in fire-resistant cable trays designed to maintain circuit integrity during fires. Their products undergo rigorous fire resistance testing to ensure that critical electrical systems, such as emergency lighting, smoke extractors, and fire alarms, remain operational under extreme conditions. Basor Electric follows European and international standards, including German, Czech, and Slovak regulations, to verify the performance of their fireproof trays, supports, and accessories, making them a reliable choice for high-safety environments .

Meka Pro

Meka Pro offers over 1,200 fire-tested cable management products that comply with the EN 1363-1 standard. Their systems are tested with cables installed according to real-world conditions, ensuring that electricity supply continues during a fire. Meka Pro emphasizes cost-effective, fire-resistant installations and uses materials that minimize toxic flue gases. Their products are suitable for critical infrastructure, industrial plants, and public buildings, and they provide detailed installation instructions to ensure compliance with international standards .

Flamro
