

Wholesale price of optical receivers in North Africa

Summary of Content

Wholesale optical receivers in North Africa are available starting around \$27-\$30 per unit, depending on type and volume.

Pricing Overview

Optical receivers suitable for FTTH/FTTB applications, such as GPON/EPON models, are available at wholesale prices starting from approximately \$27.57 per unit when purchased in bulk from international suppliers like Alibaba . Prices may vary based on specifications, brand, and order quantity. Other online wholesale platforms, including FindLight, Mouser, and Global Sources, offer competitive pricing and factory-direct options for fiber-optic receivers, transmitters, and transceivers .

Supplier Landscape in North Africa

As of October 2024, there are 226 optical wholesalers in Northern Africa, with the vast majority being single-owner operations . Many of these wholesalers are establishing a digital presence, with some active on Facebook, Instagram, LinkedIn, and YouTube, which can facilitate direct contact for bulk orders . While only a small number provide both phone and email contacts, suppliers can be reached through online directories or wholesale platforms to negotiate pricing and shipping.

Considerations for Buyers

- Volume Discounts: Larger orders typically reduce the per-unit cost.
- Product Type: GPON/EPON receivers are among the most common and affordable for FTTH/FTTB networks.
